goodness

The theme of this, the 1966 CRUSADER, is the Basilian motto, printed above. It is very imperative to remember that these are not just abstract ideals forgotten and abandoned the same day we leave the guidance of the teachers devoted to it. They are real ideals which should remain within us and serve to regulate the rest of our lives.

It was chosen as the theme because this book is not a story in itself, but merely a chapter in the story of the growth and development of men.

And it is a critical chapter, too. Because this is when boys become men and this is when the ideals and principles infused in us will take hold and lead us to real happiness.

GOODNESS - an essential characteristic of every man if he is to retain his dignity before God and other men. Every man is intrinsically good, but it is up to the individual to extract his own goodness and develop it. There will never be an excess of good men in the world.

DISCIPLINE - is the prime element in real maturity. We discover as we grow into manhood that we are laden with many more responsibilities to our family, our community, and to ourselves. No man can attend to these responsibilities without some measure of internal discipline. And the greater our self-discipline is, the greater responsibility we can undertake. And this is when we begin to mould, for the better, the world we must live in. We, as leaders of tomorrow, must never cease absorbing the fantastic changes being wrought in our world.

KNOWLEDGE - links us with other people and almost dictates to us our purpose in life. Knowledge, like goodness and discipline, is a never-ending process, essential to every man seeking happiness for himself and others.

Finally, we might add one more to our list: "Teach me to teach others." Guided by our motto, we must forever be examples of goodness, discipline and knowledge for all men. We must not let others forget and not forget ourselves that we are and always will be:

MEN OF ASSUMPTION

Dear Students,

Assumption High School has always fulfilled the twofold task of developing the intellectual faculties and forming ability of right judgment, while at the same time it has promoted among the students of diverse talent and background, a spirit of friendship and mutual understanding. It is my fond hope that each and every graduate, but especially those of the 1966 class, will take advantage of this legacy and contribute his part to the renewal of the Church and the betterment of society.

I send you my blessing.

Devotedly in Our Lord,

+ G. Emmett Carter

Bishop of London.

MESSAGE FROM THE SUPERIOR

This afternoon I saw our basketball team win a thrilling game over Patterson. Our young men built up a ten point lead, saw it dwindle to nothing and fell behind by four points. They battled back, got on even terms, went ahead and won by six points. They fought hard, played well as a team and displayed a high degree of sportsmanlike respect for the officials and their opponents. They were a real credit to Assumption and a living example of the things for which she stands.

Our hope and prayerful wish is that these young men and all Assumption students and graduates will carry this type of effort into all the other phases of their lives. We hope that you will use to the best of your ability all the gifts that God has given to you. We hope that you will apply yourselves to your studies and get the best intellectual training that you can.

We pray especially that you may use the innumerable graces which God has given you. May you always realize your supernatural destiny and develop by prayer and the sacraments that supernatural life given to you by God. May you now and always be Christian gentlemen, true Sons of Assumption.

A MESSAGE TO THE GRADUATES FROM FATHER SHEEDY

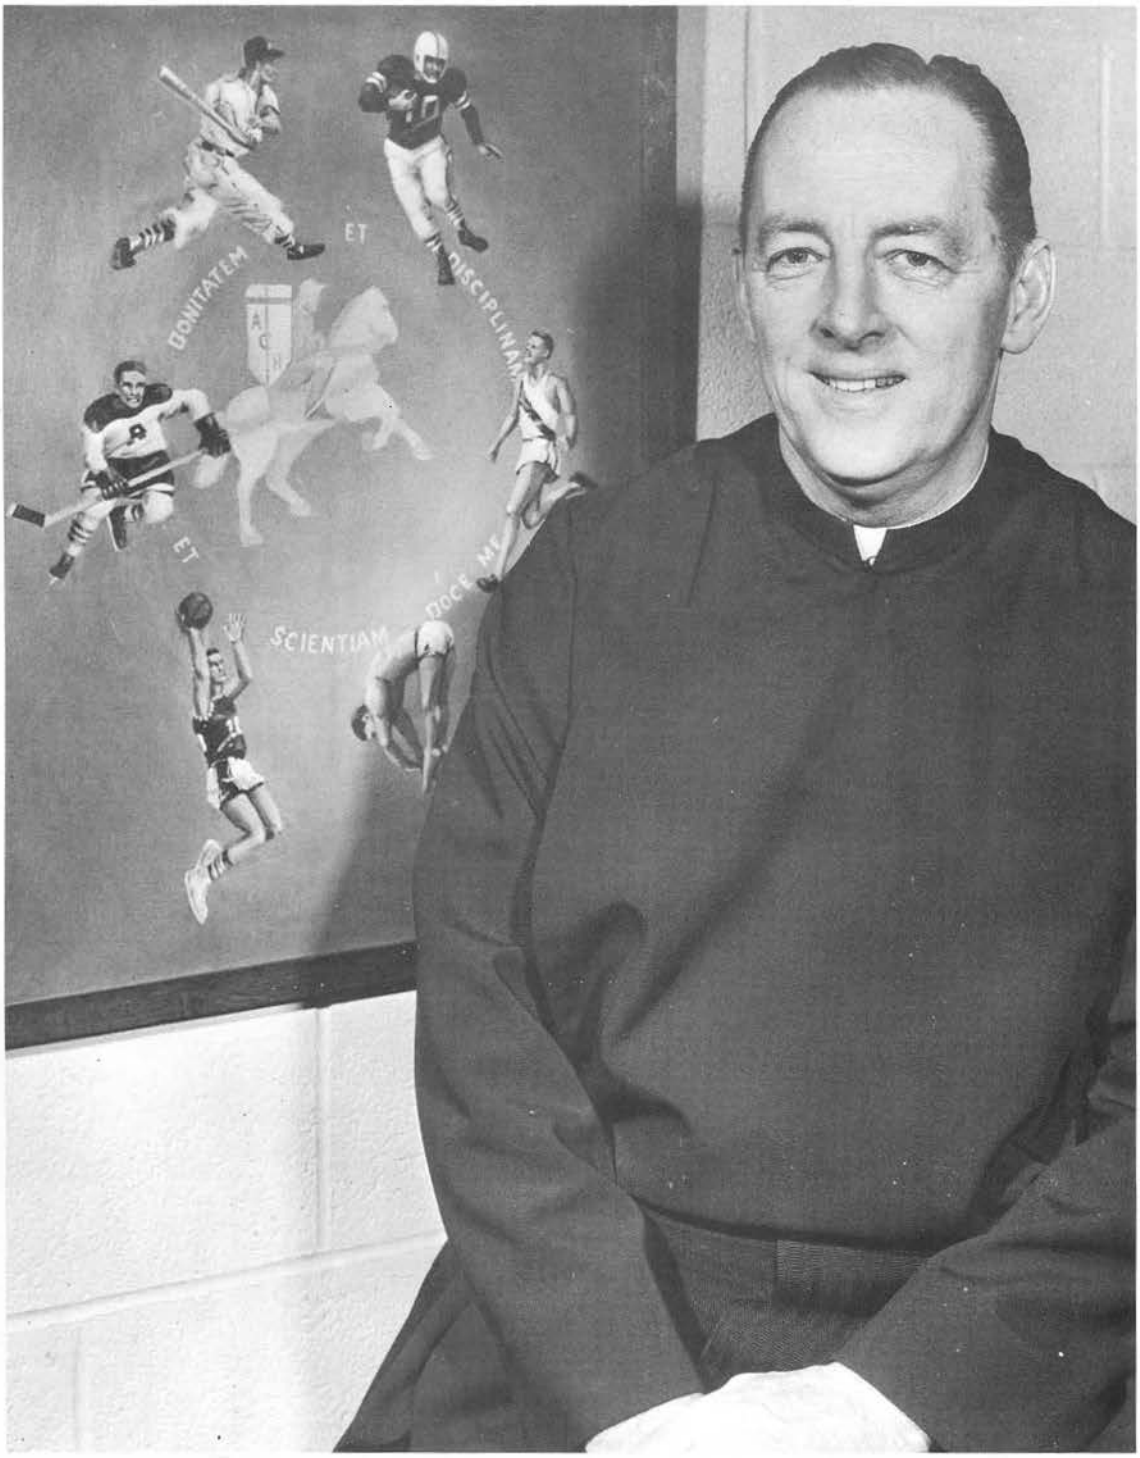
This is the end - yet really it is only the beginning. Your short stay at Assumption measured your change from boyhood to young manhood. Now - almost overnight - you are a High School Graduate, prepared we hope, to take on the responsibilities of College - Society - Life.

You have advanced in age. How different you are from that frightened freshman of four years ago!

You have grown in wisdom. That is the purpose of school, to make you a wise man not a fact factory.

You have developed too, in grace. How could could it be otherwise? You have been a daily witness to the lives of dedicated teachers whose primary concern has been the Christian Education of youth. In your prayers and Sacramental life you have been a close follower of Christ.

You have left your mark on the School. Assumption is proud of you. May She always be proud of you and be able to count on your loyalty in the years to come.



This, the 1966 CRUSADER is fondly dedicated, by the students of Assumption, to

FATHER CHARLES ARMSTRONG

who most fittingly exemplifies the true Spirit of Assumption.

The 1965 version of the ASSUMPTION PURPLE RAIDERS was an exciting one. Marred by a last minute loss to Patterson and an injury-riddled game lost to Massey, their season record was nonetheless much better than predicted.

After beating Riverside in the first round of the city play-offs, the RAIDERS lost a thriller to the eventual city champs, Walkerville.

According to Head Coach Mr. Jack Hool, and his assistant, Mr. Morgan Clark, the team centered around six players: Menard, Charette, Durocher, Rivait, Dupuis and Wright. Coach Hool credited the team's deficiency to a general lack of speed.

Six sophomores played regularly in the backfield which signals a bright future for the PURPLE RAIDERS.

Our Raiders started out slow with a loss to Riverside, but gained momentum as the season progressed. During the Christmas lull they added another trophy, one signifying the team effort of our Raiders, to the cases at A. C. H. This convincing defeat of Welland Notre Dame at Waterloo, gave to Assumption's five, the incentive to go all the way to capture the western division crown, and secure themselves a berth in the city play-offs. After the Raiders exciting one point victory over Brennan in the semi-finals, they were defeated in the finals by a hot Tartan squad.

The Raiders this year, led by all-city players Sante Salvador, Larry Angus, and Jim Tebbs, exhibited that kind of team effort and gentlemanly conduct which is Assumption.

The word "Champs" best describes "freshman" Coach Mr. Petryshyn's Junior Varsity squad for 1966.

Not only did they completely dominate the league during the regular season, but they proved themselves tops by winning the WSSA title in a breeze.

Their final game of the season was for the SWOSSA championship, which they won in a walk-away.

Following the Assumption tradition, Fr. Cullen's fast-skating Raiders have clinched their 6th straight WSSA and 4th straight SWOSSA championships.

From the first face-off in December to the last goal in March, the Raiders were #1.

The Raiders won the WSSA championship in typical Assumption fashion beating Riverside by scores of 2-1 and 1-0, after losing the first game 1-0.

Skating on to the SWOSSA, the Raiders were held to a 1-1 tie by Ridgetown, in the first of a two-game total goal series. Back on home ice our Raiders won one of the most exciting games in SWOSSA history on goals by Tom McFadden and Brian Collins in the last minute of play.

From this year's team came five of the six all-city team, Jim and Jack Reaume, Brian Collins, and Scot and Tom McFadden.

It was a season of contrasts for our Junior Raider pucksters. A so-so season was climaxed by an 8-0 tromp, over Navy, just prior to the play-offs, indicating the abrupt change that was about to take place.

A.K.O. was their first victim, falling 4-3 in sudden death. Moving into the second round, the Raiders swapped victories with Riverside before finishing them off in the finale on a goal by Jim Patterson in overtime.

The final round saw the Raiders facing an undefeated Lions team. We lost a tough one in the opener, losing a 2-0 lead in the last 5 min. A tie in the second game kept us alive, but our Raiders bowed in the third game, 3-1. Goalie, Pierre Gervais, Captain Pete Goudreau, and "Jack-of-all-trades" Dan Dorner all played outstanding games in the series.

Congratulations also go to Fr. Foley, Mr. Finke, and Mr. Walker for their large, important part in preparing these future Varsity players.

IN MEMORIAM

Lawrence MacDonald
1950-1966

During the school year 1965-66, Assumption High School lost one of its beloved students, Larry MacDonald. Larry, an "A" student, a spirited student, and a very likable classmate of all who knew him, died of cancer in February.

Larry's example of cheerfulness instead of depression and courage instead of despair was an inspiration to all those around him.

May his memory ever remain with us as a courageous example of a true Man of Assumption.

The 1965-66 version of the Assumption Drama Club, under the traditional leadership of Fr. McGravey, staged a very successful and well-received presentation of the play "No Time For Sargeants."

Lead roles were portrayed by Tim Carter, Tom Cygan, and Ray Marentette. All the roles were realistically and enthusiastically played. The prevalence of underclassmen in the cast forecasts future bright seasons in the A. C. H. theatre.

Pep Band

The Assumption Band, described as "one of the best in years", completed a very successful and rewarding year with their Annual Spring Concert. Under the direction of Fr. Callam and Mr. Tambourini, the tradition of good music at Assumption was continued and improved upon.

The Raider "Pep Band", led by Fr. Dillon, was famous throughout Windsor for the spirit they generated at all the Basketball games.
